[Press sample images] Experimental Park is a puzzle game set in space. Explore this bizarre sci-fi world, through various environments and collect the required materials to save your colony from destruction. Explore the stars in the Experimental Park. Use your spaceship to reach the forbidden zones where you'll be able to find the required components for rebuilding your colony. You'll have to discover the stars in different environments such as the sky, space, colonies and the surface of the Earth. There are four blocks of blocks in the game. You must control them and use them to explore the stars. Your goal is to find the six stars scattered around the galaxies and bring them back to the planet, through different environments. You can find bonus items in the sky, oceans or plants. Collect all the stars you can find and rebuild your colony, to save your species from extinction. Features: -Great graphics -Easy to play -Simple controls [How to play] 1.Travel to the planets using your spaceship. 2.Use the blocks to explore the space. 3.Switch between blocks, to collect the stars. 4.When ready, return to the ship and travel back to your home. [Game modes] -Tower Block: Block identical to your spaceship. -Planet Block: Explore and collect the stars and blocks on the planets. -Stream Block: You're left alone on the ocean, surrounded by seaweed. Pick up the scattered blocks, and they will clear the waves. -Sky Block: Avoid the rocks and get to the top of the clouds. Move up the levels by picking up the required blocks. [Bugs] Walls may break sometimes when blocks are adjacent to each other [Droid] Smaller rocks may be moved by large rocks if put under them Live Note for Android is a simple-yet-powerful iPhone-only application that combines a to-do list manager, calculator, stopwatch and more into one app. The really neat part of the app is that everything can be done without a keyboard or stylus. Batch It is an easy-to-use, yet powerful photo batch-processing solution that can perform various tasks for you on multiple pictures - including resizing, sharpening, and cropping, adjusting contrast, brightness, hue, saturation, and color balance, as well as adding captions, watermarks, borders, editing EXIF metadata, and more. In addition, you can also reorder the images by date, name, or both, combine them into contact sheets, save your processing results to a variety of destinations (both online and offline), and export to JPEG, JPEG 2000, PNG, GIF, TIFF, or PDF. What's New You asked for it. We've added some new features to make your editing even easier. 1. Added Accessibility Settings. You can now launch Batch It directly from the Accessibility Center on your device. You can also enable the Show Cropping & Resizing options under the Image & Filename Settings tab. 2. Added Compatibility with iPad Pro. You can now crop and resize a Contact Sheet to be displayed on an iPad Pro. British police said on Sunday that they are investigating a seventh alleged indecent assault by a wealthy financier who preyed on young models at a London party. Britain's Crown Prosecution Service said that seven men, including the financier, were being investigated over the alleged assaults during a 2015 party in London. Britain's Daily Mirror newspaper and TV channel BBC said some of the alleged incidents occurred at the home of the financier, who is in his 60s, but he was not named. Prosecutors said they were told by a journalist they have been contacted by the alleged victims, who are all under the age of 18. "Most of the victims were underage models who were picked up by the older man at or around a London nightclub," the Crown Prosecution Service said in a statement. "They were then brought back to his house in his car. At this point the offences occurred." It said the alleged offences took place at several locations across London on four separate days in 2015, including a "number of secret places" where the men allegedly carried out sex acts. "Several of the alleged victims are now adults and have provided statements to the police," the statement said. "The allegations are not being treated as one case and we are not confirming any alleged victims until we have received all the evidence in. The men are named in court papers
