3.16 2.1.0.0 01-02-2013.rar 3.2 KaMca0: i'm just pointing out that the numbers you see there are not actually numbers, but characters. and that those don't help you understand what's going on. KaMca0: a file listing with a single space as a separator should make it easier to see which things are which. kk, I'm going to try again with "extract here" Srs hd audio lab 1 1 25 0 serial keygen 3.16 2.1.0.0 01-02-2013.rar 3.2 FManTropyx, stop that please. tomreyn: god damnit FManTropyx I can't do much more than I have done already FManTropyx: is there anything else that we can do for you? I'm not very upset about it though. I just had to redo it FManTropyx: yes, you've done it twice now. can you follow directions? FManTropyx: can you work in an

editor? KaMca0: this file contains two lines. the first 82157476af
