### About This Game

Ready for a sensational and unforgettable experience? Fly through the skyscrapers of a city almost 8 km<sup>2</sup> big in total freedom, take advantage of the wind tunnels to gain speed and tackle the steepest routes.

Collect the highest number of points possible to increase your level, choosing between "time challenge" and "best score" game modes, but be careful: in the sky you will face real dangers, such as strong gusts of wind and birds flocks!

You will make breathtaking routines, experimenting acrophobia, free fall and much more!

### KR Games
